

Bushwalking Membership Form

The Central Australian Bushwalkers formed in 1982 as an informal group to explore and enjoy bushwalking in the rangelands of Central Australia, and to advocate for the protection of and access to the unique and ancient rugged ranges for remote wilderness exploration and solitude. The club conducts a program of regular bushwalks, both on-track and off. New members are always welcome.

Membership is valid for the financial year to June 30, and costs \$35 per person. Late start discounts apply for new members: \$25 if you join October to December; \$15 if you join January to April. Join in May or June for membership until the following June 30. Corporate memberships are available, and cost \$70 annually. It is a condition of membership that you read and sign the Risk Acknowledgement form and submit it together with your membership form.

Members are entitled to FREE partner membership at Lone Dingo (Todd Mall) valued at \$20, giving them 10% off storewide.
